Cookie Policy

This Cookie Policy explains how Schaedler Yesco Distribution Inc. uses cookies and similar technologies to recognize you when you visit our website at https://www.sydist.com/ ("**Website**").

It explains what these technologies are and why we use them, as well as your rights to control our use of them.

In some cases, we may use cookies to collect personal information, or that becomes personal information if we combine it with other information.

What are cookies

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by website owners in order to make their websites work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner (in this case, Schaedler Yesco Distribution Inc.) are called "first-party cookies." Cookies set by parties other than the website owner are called "third-party cookies." Third-party cookies enable third-party features or functionality to be provided on or through the website (e.g., advertising, interactive content, and analytics). The parties that set these third-party cookies can recognize your computer both when it visits the website in question and also when it visits certain other websites.

What types of cookies do we use?

We use the following categories of cookies on our Website:

- Necessary Cookies – required for the Website to function
- Preferences Cookies – enable enhanced functionality and personalization
- Statistics Cookies – help us understand how visitors interact with the Website
- Marketing / Advertising Cookies – used to deliver relevant advertisements
- Unclassified Cookies – cookies currently being classified

This is described in more detail below.

Why do we use cookies

We use cookies to:

- Ensure the Website operates correctly
- Improve performance and security
- Understand how users navigate our Website
- Personalize content and user experience
- Deliver targeted advertising (where applicable)
- Comply with legal and regulatory requirements

How can I control cookies

You have the right to decide whether to accept or reject cookies. You can exercise your cookie rights by setting your preferences in the Cookie Consent Manager. The Cookie Consent Manager allows you to select which categories of cookies you accept or reject. Necessary cookies cannot be rejected as they are strictly necessary to provide you with services.

The Cookie Consent Manager can be found on our website. If you choose to reject cookies, you may still use our website though your access to some functionality and areas of our website may be restricted. You may also set or amend your web browser controls to accept or refuse cookies.

The specific types of first and third-party cookies served through our Website and the purposes they perform are described in the table below (please note that the specific cookies served may vary depending on the specific Online Properties you visit):

Necessary Website Cookies
These cookies are strictly necessary to provide you with services available through our Website and to use some of its features, such as access to secure areas.
